

# Outstanding careers at The University of Adelaide

## Lecturer/Senior Lecturer

Discipline of Physiology, School of Medical Sciences  
(Ref: 16135, 16136) (2 positions)

The Discipline of Physiology is seeking to make two tenurable appointments at the Lecturer/Senior Lecturer level to teach undergraduate and postgraduate students in science/health science and medicine, and to pursue internationally competitive research programs. Preference will be given to candidates whose research interests complement current Discipline strengths, and who have broad teaching interests across molecular, cellular and systems physiology. You should have completed a PhD or equivalent, clear potential for developing a research program competitive for external funding (Level B), or an established independent research program with demonstrated success in securing national and/or international grant funding as chief investigator (Level C).

These two continuing positions are available from 1 January 2011.

Salary: (Level B) \$75,425 - \$89,569 per annum  
(Level C) \$92,391 - \$106,539 per annum

Closing date 13/08/2010

## Teaching Laboratory Coordinator

Discipline of Physiology, School of Medical Sciences  
(Ref: 16137)

We are seeking a Teaching Laboratory Coordinator for an undergraduate practical laboratory/teaching resource centre located in the Discipline of Physiology. As the Coordinator you will provide professional support for the administration and delivery of undergraduate and postgraduate teaching programs; coordinate resources needed for the teaching labs; provide student support services and oversee student safety and OHSW compliance; supervise casual staff; assist with community outreach programs and student recruitment activities; implement relevant security policies; and ensure prompt equipment repair and maintenance within the teaching laboratories/teaching resource centre. You should have the ability to interact effectively with students and staff and to supervise employees.

This continuing position is available immediately.

Salary: (HEO5) \$53,893 - \$60,140 per annum, plus an employer superannuation contribution of 17% applies.

Closing date 13/08/2010
